HOTEL & LAND PROGRAM

PRE-CRUISE

PRE - LANDMARKS OF LJUBLJANA - 2024

Discover Ljubljana, one of Europe's greenest and smallest capitals, on an enlightening walking tour through downtown, with a visit to Ljubljana Castle and by exploring the surrounding countryside and gorgeous Lake Bled.

Note: This program begins in Ljubljana, Slovenia and ends in Trieste, Italy where guests will embark the ship. Guests will need to fly into the Ljubljana Jože Pucnik Airport (LJU) for the start of the program.

DAY 1

After arriving at the Ljubljana Airport (LJU), you will be met outside Customs and transferred to your hotel with the assistance of an English-speaking representative. The remainder of the day will be at your leisure, so you may want to consult with the hotel's hospitality desk for recommendations.

Check-in at your hotel is 3:00p.m. Although every effort will be made to have rooms available sooner, this cannot be guaranteed. Meals will be on your own today.

DAY 2

Following breakfast in the hotel, you will meet the guide in the lobby and begin a comprehensive walking tour of Ljubljana, the capital of Slovenia. Although relatively small for a capital city, Ljubljana is full of attractions, many of which you will see while meandering through the historical downtown. Highlights include the central Farmers Market, Town Hall, Ljubljana Cathedral, Three Bridges, National Library and Preseren Square.

In time, you will ride the funicular to Ljubljana Castle with the English-speaking guide. Looming over the city for about 900 years, the castle offers spectacular views. You may also browse the castle's Slovenian history exhibition and unusual puppet museum.

After returning to the hotel, the remainder of the day will be at your leisure with dinner on your own.

Note: The walking tour of Ljubljana is rated as an easy walk, especially in the pedestrian zone of the city. The city center is small, and the distances covered are small. The sightseeing tour is accessible by wheelchair. The tour also includes the funicular ride to the castle hill and the visit to Ljubljana castle. The funicular is accessible and the castle is partly accessible.

DAY 3

Following breakfast at the hotel, you will transfer to Lake Bled, an absolutely gorgeous setting in the Julian Alps. The building that you will see rising above the lake's sole island is the Assumption of Mary Church.

Bled Castle sits atop a precipice above the lake. While meandering through the medieval castle during free time, you may see its Gothic chapel, wine cellar, replica Gutenberg wooden press and museum, where a 6th-century peacock brooch is one of the many artifacts on display.

Once you return to the hotel, the remainder of the day will be at your leisure with dinner on your own.

DAY 4

Following breakfast at the hotel and check out, transfer to Postojna Cave, the second-largest cave system in Slovenia. You will ride through the cave on a small railway that has been operating for nearly 150 years. Later, discover the flavors of Ljubljana at lunch.

Afterward, you will transfer to the port of Trieste for embarkation.

Note: Bled Castle and Postojna Caves are accessible for wheelchairs as long as there is someone to push the wheelchair. There is a slight ramp to enter the castle.

POST - LISBON LANDMARKS AND BEYOND - 2023-25

Become immersed in the joys of Lisbon by visiting the capital city's most well-known attractions and neighborhoods, watching a traditional Fado performance and exploring palaces in the nearby foothills.

DAY 1

Following disembarkation from the ship in Lisbon you will pass through some of Portugal's most inspiring countryside on the way to Mafra. Here, at the revered Palace of Mafra, which was constructed of local limestone and marble in the 18th Century, you will behold priceless art and period furnishings that were characteristic of the royal lifestyle. At one time, the palace also served as a Franciscan monastery.

After visiting the extraordinary palace, you will continue even deeper into the countryside to the winery "Adega Mãe": a temple built to honour wine. During the visit, you will know the production process of both white and red wines and be able to take a peek into the greatness of the storage and fermentation vats, the lab and go through the Time Room, where wines rest and aromas mix with the scent of the French oak barrels. At the end of the tour enjoy a tasting on the cellar's noble room, with wide windows that provide an unforgettable view of the mountains of Socorro and Archeira.

Following lunch at the winery, you will drive to your hotel along a spectacularly scenic coastal route. After check in, the remainder of the day and dinner will be on your own to enjoy as you please.

DAY 2

After departing from the hotel, you will enjoy a scenic Tuk Tuk drive (motorized rickshaw with 3 wheels) towards the Belem Quarter, where you can admire the Monument of Discoveries, the Tower of Belém and Jeronimos Monastery. Continuing on to downtown Lisbon, you will pass lovely Liberdade Avenue, the elegant shopping area of Chiado and the heart of the commercial area, Praça do Comércio and Alfama. Stop to taste the traditional pastry - pastéis de nata.

Note: each tuk tuk has a local driver and seats for two guests. This mode of transport enables guests to see some of the narrow streets in the city's most typical neighborhoods.

Alfama takes its name from the Arabic Al-hamma, meaning fountains or baths. It contains many important historical attractions and traditional Fado restaurants along its narrow and winding streets. The medieval Castle of São Jorge overlooks the Alfama and offers one of the best views of the city.

One of the highlights of this comprehensive city tour is visiting the Lisbon Cathedral, also known as the Sé. Although it looks like a medieval fortress, the interior is glorious and includes the font where St. Anthony of Padua was supposedly baptized in the 12th Century.

By midday, you will return to the hotel to either relax or grab some lunch (on own). Enjoy the amenities of your luxurious resort, which was once the private residence of the Count of Valencas. Lapa Palace Hotel is conveniently located within easy reach of Lisbon's attractions.

Your river and garden view room in the hotel's garden wing will have a balcony that presents views of Lisbon's downtown, the Tagus River and the hotel pool and garden.

The entertainment for the evening will be at the "Café Luso", here, you will enjoy a traditional Portuguese dinner and watch a Fado show. Fado is Portuguese folk music that is melancholy by nature and usually played on guitars and mandolins. The lyrics tend to be poetic and involve themes such as love and sadness.

Following this authentic cultural experience, you will return to the hotel for the evening.

DAY 3

After departing from the hotel, you will drive to Sintra, a beautiful town nestled in the forested foothills of the Sintra mountains. Your experience here begins with free time to wander about the atmospheric streets, enjoy the sweeping views and thoroughly relax.

Not far away, you will find Pena Palace, a landmark that was built in the 19th century to be a royal summer home. Inside and out, it looks like an eccentric mix of different castle styles and features. Now hailed as a UNESCO World Heritage site and one of Portugal's Seven Wonders, the flamboyant palace exemplifies 19th-century Romantic architecture, inside and out.

Following your tour of Pena Palace, return to your hotel where the remainder of the day is at your leisure. Lunch and dinner are on your own.

DAY 4

Following breakfast and check-out you will be transferred to the Lisbon International Airport for your flight home. Transfers will be set up based on the flight details provided. For guests with late flights, luggage storage will be available at the hotel until your transfer.

Land Program Details Step by Step:

- Please note: The order of sites visited may vary to avoid congestion. All program timings are approximate, given here for general reference purposes and subject to change.
