## PRE - LONDON AND THE CHARMING COTSWOLDS - 2024

Explore both cosmopolitan London and the quintessentially British countryside in the Cotswolds, admiring a variety of popular attractions such as Buckingham Palace, the Tower of London and the elegant city of Bath including a visit to the ancient Roman Baths.

### DAY 1

Fly into London Heathrow or London Gatwick Airport. Here you will be met and transferred to The May Fair Hotel.

Although every effort will be made to have your room available prior to the 3:00pm check in, this cannot be guaranteed. If you have an early arriving flight, you may wish to book an extra night to guarantee early availability of your room.

Note: Once you have gone through Customs and Immigration you will collect your luggage at the carousel, walk through the "nothing to declare" channel and then exit into the arrivals hall where your driver will be waiting with a sign with the cruise line logo. Should you not be able to locate your driver within a few minutes, as he may be assisting other guests, please contact the local agent via the emergency phone number listed below.

The remainder of the day and meals are on your own, after which you will overnight at the hotel.

### DAY 2

London is a city that inspires and amazes! A capital that basks in its rich history where around every corner there is something new, yet something very familiar. We take you on a tour of this majestic city, fully guided by a London expert.

Your day begins in a Royal Palace after breakfast at your hotel and a short drive outside the city.

On the banks of the River Thames, Hampton Court Palace started life in 1515 as a magnificent brick stately home for Cardinal Thomas Wolsey. Seized by Henry VIII at Wolsey's downfall, the Palace was enlarged and became home for Henry and wife number two, Anne Boleyn.

Explore with a Hampton Court guide the Tudor bedrooms, oak panelled corridors and extensive Royal kitchens. Visit the magnificent chapel and banqueting hall. See how the Palace received a makeover by Sir Christopher Wren during the late 17th century reign of William and Mary. Enjoy the works of art from the Royal Collection on display throughout the building and take time to stroll around the grounds, admiring the fountains and getting yourself lost in the famous Hampton Court maze!

Return to the city for a superb 2-course lunch in a top London restaurant to enjoy a 'Taste of Britain' menu followed by a champagne cruise on the River Thames as you pass by the iconic Tower Bridge, St Paul's Cathedral and the Palace of Westminster.

In the afternoon enjoy a guided panoramic tour of the city, starting from Parliament and Westminster Abbey, peer along Downing Street, home of the British Prime Minister, circle around Trafalgar Square, see vibrant Piccadilly Circus and the opulent Albert Memorial and view the city's famous museums such as the Victoria and Albert and the Science Museum. Head into Knightsbridge to drive by Harrods and then take a short walk for a photo stop outside Buckingham Palace before returning to your hotel at the end of this entertaining and rewarding day.

Please note: Parts of the itinerary may be reversed depending on local traffic conditions.

Upon returning to your hotel, the evening is spent at your leisure, dinner is on your own.

### DAY 3

After breakfast at your hotel, begin the day with a journey to England's West Country, to the elegant city of Bath, famed for its therapeutic hot springs, a long and varied Roman history plus the beautiful terraces, crescents and circuses of the 18th Century that adorn the residential area of the city.

Bath's foundations go back to Celtic times when the springs were first discovered, and the healing properties realized. Enjoying the warm waters, the Roman invaders soon arrived in the first century and called this place Aquae Sulis turning it into one of the most important religious centers and military settlements in the northern part of the empire.

Through the Saxon era and the Mediaeval period up to the city's new foundation as a resort for Georgian aristocrats, making the three-day journey from the capital, the wealthy elite would take the waters to cure themselves of rheumatic diseases, stiffness of the joints and gout.

On arrival in Bath there will be a guided tour where you will walk along the original Roman pavement, before entering the Roman Baths to see the hot baths and remains of the temple of Sulis Minerva.

Next, take a drive through the delightful rolling hills and meandering streams of the Cotswolds, to honey-coloured stone villages down narrow country lanes. Time seems to have been given very little chance to march forward around these parts. Cottages of 17th century weavers' homes stand next to chuckling streams, gentle rolling green hills and hidden valleys that stretch across these limestone uplands. With an expert guide on board your coach you will set about exploring this area and meander through this wonderful landscape.

Visit Burford where the old weavers' houses cascade down to the valley of the River Windrush below and see Stow on the Wold with its ancient marketplace and hilltop views. Enjoy a hearty pub lunch in an old English hostelry during your journey around the Cotswold Hills as well as photo stops and guided walks in each of the villages you call into.

Please note: Parts of the itinerary may be reversed depending on local traffic conditions.

Back in London at your hotel, the remainder of the evening is at your leisure and dinner is on your own.

#### DAY 4

After breakfast and check out, begin your journey to the ship via one of the wonders of the world and the best-known prehistoric monument in Europe 'Stonehenge'.

## PRE-CROWN JEWELS & COUNTRY TREASURES 2024

Explore both cosmopolitan London and a deeply fascinating corner of Britain, the beautiful countryside of Kent. Admire a variety of popular attractions such as the Tower of London and its Crown Jewels, the Battle of Britain Monument, Dover Castle and the surrounding area that is referred to as "the Garden of England".

### DAY 1

Fly into London Heathrow or London Gatwick Airport. Here you will be met and transferred to your hotel. Although every effort will be made to have your room available prior to the 3:00pm check in, this cannot be guaranteed.

Note: Once you have gone through Customs and Immigration you will collect your luggage at the carousel, walk through the "nothing to declare" channel and then exit into the arrivals hall where your driver will be waiting with a sign with the cruise line logo.

The remainder of the day and meals are on your own, after which you will overnight at the hotel.

### DAY 2

London is a city that inspires and amazes! A capital that basks in its rich history where around every corner there is something new, yet something very familiar. We take you on a tour of this majestic city, fully guided by a London expert.

Start this day of discovery with an exclusive private tour of the Crown Jewels within the historic Tower of London.

You'll be met by one of the guardians of this royal fortress upon arrival - a magnificently dressed Yeoman Warder, or 'Beefeater' who will show you symbols of over 800 years of monarchy. Marvel at the Imperial State Crown and gaze in wonder at the Cullinan diamond, the largest clear-cut diamond in the world. An amazing collection of intricate jewellery and precious metals which are still in use today for coronations and special events.

There is plenty of time to explore the rest of this ancient fortress, see the site of executions at the scaffold, visit the Beauchamp Tower adorned with the graffiti of prisoners over 500 years ago. Climb the thousand-year-old White Tower and learn the gruesome history of the Bloody Tower.

This is followed by a 2-course lunch in a top London restaurant to enjoy a 'Taste of Britain' menu followed by a champagne cruise on the River Thames as you pass by the iconic Tower Bridge, St Paul's Cathedral and the Palace of Westminster.

In the afternoon enjoy a guided panoramic tour of the city, starting from Parliament and Westminster Abbey, peer along Downing Street, home of the British Prime Minister, circle around Trafalgar Square, see vibrant Piccadilly Circus and the opulent Albert Memorial and view the city's famous museums such as the Victoria and Albert and the Science Museum. Head into Knightsbridge to drive by Harrods and then take a short walk for a photo stop outside Buckingham Palace before returning to your hotel at the end of this entertaining and rewarding day.

Please note: Parts of the itinerary may be reversed depending on local traffic conditions.

Upon returning to your hotel, the evening is spent at your leisure, dinner is on your own.

### DAY 3

Travel to a surprisingly unique and deeply fascinating corner of Britain, the beautiful county of Kent, with its lush green landscape, bountiful orchards, fruit markets and bustling vegetable farms it is known, quite rightly, as The Garden of England.

But Kent is not just a collection of charming villages and narrow country lanes, its proximity to the continent has made it both a rewarding and dangerous place to be. Whether it be Roman or Norman invaders, the arrival of Christianity through St Augustine, or French Huguenot refugees escaping persecution, the county of Kent has seen it all.

More recently, though, it was in the firing line from Luftwaffe during World War Two, specifically the Battle of Britain in 1940. The sky over the county echoed to the sound of dogfights between the Royal Air Force and the enemy.

Enjoy a drive into the heart of the region, through fields of market produce, tomatoes, onions, orchards of apples and the ever-present hop fields. We pause in the delightful village of Chilham. With its timber framed

cottages huddled below the stately Manor House at the head of the old square. Visit the church and see the ancient Yew tree which took root way back in 690AD.

Pay a visit to the Battle of Britain memorial that overlooks the famous White Cliffs of the South Coast. From here, as we look out to the French coast, we make the short journey to Dover Castle, the largest castle in England. Visit the 2,000-year-old Roman lighthouse, Henry II's magnificent 12th century stone keep and explore the extensive range of tunnels dating from the Napoleonic Wars and World War Two.

The next stop is the award winning Gusbourne Vineyard. As a founding member of Sustainable Wines of Great Britain, Gusbourne carries an accreditation that reflects the most exacting environmental standards. The visit begins with a glass of sparkling wine on arrival followed by an exclusive vineyard tour. Learn the processes and methods to transform fruit into great wines, all while taking in the stunning views. The tour concludes with a 2-course, locally sourced lunch and tutored wine tasting.

Once the visit ends, begin the journey back to London where the remainder of the evening is at your leisure and dinner is on your own.

#### DAY 4

After breakfast and check out, begin your journey to the ship via one of the wonders of the world and the best-known prehistoric monument in Europe 'Stonehenge'. Entry to the site is included but the tour is self-guided.

Please meet in the lobby 15-minutes prior to departure, having settled any incidentals, where you will be met by a representative who will accompany you on the drive. Once at the port you will embark the ship.

## POST - LONDON AND THE CHARMING COSTWOLDS - 2024

Explore both cosmopolitan London and the quintessentially British countryside in the Cotswolds, admiring a variety of popular attractions such as Buckingham Palace, the Tower of London and the elegant city of Bath including a visit to the ancient Roman Baths.

## DAY 1

Disembark from your ship in the morning. A transfer will be provided to your Central London hotel, via Stonehenge, one of the wonders of the world and the best-known prehistoric monument in Europe. Entry to the site is included and you will be able to explore the site with an audio guide.

Arrival at your hotel will be at approximately 3:00pm, in time for check in.

The remainder of the afternoon is at your leisure for independent exploration of the city. Lunch and dinner are on your own.

## DAY 2

London is a city that inspires and amazes! A capital that basks in its rich history where around every corner there is something new, yet something very familiar. We take you on a tour of this majestic city, fully guided by a London expert.

Your day begins in a Royal Palace after breakfast at your hotel and a short drive outside the city.

On the banks of the River Thames, Hampton Court Palace started life in 1515 as a magnificent brick stately home for Cardinal Thomas Wolsey. Seized by Henry VIII at Wolsey's downfall, the Palace was enlarged and became home for Henry and wife number two, Anne Boleyn.

Explore with a Hampton Court guide the Tudor bedrooms, oak panelled corridors and extensive Royal kitchens. Visit the magnificent chapel and banqueting hall. See how the Palace received a makeover by Sir Christopher Wren during the late 17th century reign of William and Mary. Enjoy the works of art from the Royal Collection on display throughout the building and take time to stroll around the grounds, admiring the fountains and getting yourself lost in the famous Hampton Court maze!

Return to the city for a 2-course 'Taste of Britain' lunch followed by a Champagne cruise along the Thames River as you pass by the iconic Tower Bridge, St Paul's Cathedral and the Palace of Westminster.

In the afternoon enjoy a guided panoramic tour of the city, starting from Parliament and Westminster Abbey, peer along Downing Street, home of the British Prime Minister, circle around Trafalgar Square, see vibrant Piccadilly Circus and the opulent Albert Memorial and view the city's famous museums such as the Victoria and Albert and the Science Museum. Head into Knightsbridge to drive by Harrods and then take a short walk for a photo stop outside Buckingham Palace before returning to your hotel at the end of this entertaining and rewarding day.

Please note: Parts of the itinerary may be reversed depending on local traffic conditions.

Upon returning to your hotel, the evening is spent at your leisure, dinner is on your own.

## DAY 3

After breakfast at your hotel, begin the day with a journey to England's West Country, to the elegant city of Bath, famed for its therapeutic hot springs, a long and varied Roman history plus the beautiful terraces, crescents and circuses of the 18th Century that adorn the residential area of the city.

Bath's foundations go back to Celtic times when the springs were first discovered, and the healing properties realized. Enjoying the warm waters, the Roman invaders soon arrived in the first century and called this place Aquae Sulis turning it into one of the most important religious centers and military settlements in the northern part of the empire.

Through the Saxon era and the Mediaeval period up to the city's new foundation as a resort for Georgian aristocrats, making the three-day journey from the capital, the wealthy elite would take the waters to cure themselves of rheumatic diseases, stiffness of the joints and gout.

On arrival in Bath there will be a guided tour where you will walk along the original Roman pavement, before entering the Roman Baths to see the hot baths and remains of the temple of Sulis Minerva.

Next, take a drive through the delightful rolling hills and meandering streams of the Cotswolds, to honey-coloured stone villages down narrow country lanes. Time seems to have been given very little chance to march forward around these parts. Cottages of 17th century weavers' homes stand next to chuckling streams, gentle

rolling green hills and hidden valleys that stretch across these limestone uplands. With an expert guide on board your coach you will set about exploring this area and meander through this wonderful landscape.

Visit Burford where the old weavers' houses cascade down to the valley of the River Windrush below and see Stow on the Wold with its ancient marketplace and hilltop views. Enjoy a hearty pub lunch in an old English hostelry during your journey around the Cotswold Hills as well as photo stops and guided walks in each of the villages you call into.

Please note: Parts of the itinerary may be reversed depending on local traffic conditions.

Back in London at your hotel, the remainder of the evening is at your leisure and dinner is on your own.

#### DAY 4

After breakfast, the morning is free for independent sight-seeing or perhaps a spot of last-minute shopping in some of London's famous stores.

Room check-out is at 12:00pm, however arrangements can be made for the hotel to securely store your luggage should you need longer. Late check can also be arranged, but this may incur additional charges depending on the length of time required. Late check out can only be booked at the hotel while you are there.
